

## **CANAV Books, Canadian Military Misc. New and Used Books, October 2021**

Hi again and here's CANAV's special list of RCAF/RCN titles for fall/winter 2021-22 of books, journals and misc. collectables. Shipping info at the end. Queries? Email [larry@canavbooks.com](mailto:larry@canavbooks.com) or tel. (416) 698-7559. For other news & updates see the CANAV blog [www.canavbooks.wordpress.com](http://www.canavbooks.wordpress.com).

NB ... most of the books here are used. If new, it usually states so. The average book is at least a good copy. Many have personal dedications in them from when they were originally acquired. This is typical for most such books, it comes with the territory. The description might say "excellent" copy, maybe "good" (not quite perfect, show signs of use and age), fair (a decent enough copy but definitely with signs of age and/or wear). Some rare copies might be somewhat battered, as are some of the very old books, e.g., from 1945 back to the early 1900s. Old books rarely have a dust jacket remaining. So long as a new buyer doesn't expect his book from the 1920s-30s to be in perfect, un-used condition.

**Any questions? Drop me a line [larry@canavbooks.com](mailto:larry@canavbooks.com) Cheers ... Larry Milberry**
